

Cost Effectiveness section

NOTE: This section is for Project subgrant applications only. All fields are required for Grant Applicants but may be completed by Subgrant Applicants.

- Removed section from Planning and Management Costs subgrant applications.
- Inserted fields from *Evaluation Information* section
 - Net Present Value of Project Benefits (A)
 - Total Project Cost Estimate (B)
 - What is the Benefit Cost Ratio for the entire project (A/B)?
- Deleted fields
 - What is the source and type of the problem?
 - How frequent is the event?
 - How severe is the damage?
 - What kind of properties are at risk?
 - Are there better, alternative ways to solve the problem?
 - Are the mitigation project costs well documented and reasonable?
 - Damage History
